

Warranty

Leda warrants its products against defects of workmanship and/ or material for 30 days from date of sale.

Although the raw materials used in our manufacturing process comply with most common regulations Leda encourages user testing, especially for manufacturers of products and / or devices used in food, drug and biological applications as regulations and criteria for certification of these products varies widely. The responsibility for determining the validity and suitability of use of a Leda product in any product or device application is that of the user. We will gladly provide reasonable samples for user testing.

Leda is not liable for damages including, but not limited to personal injury, damage, loss, or any other expense directly or indirectly arising from the use of, or inability to use, its products either separately or in combination with other products. All other warranties expressed or implied, whether oral or written, including but not limited to warranties for fitness or merchantability for a particular purpose are expressly excluded.

This warranty is limited to replacement of the product or an account credit in the amount of the original selling price, at the option of Leda. All product returns must be pre-authorized by Leda. All specifications are subject to change without notice. While accuracy is thought to be reliable, no guarantee is expressed or implied.
